**TEAM TOURNAMENT

Dear Friends.

First of all, we apologize for any confusion that may have occurred due to the rearrangements of Danish Junior Cup 2019.

However, Badminton Denmark in cooperation with the organizers of Danish Junior Cup, Badminton Zealand and Badminton Copenhagen, are now ready to introduce a new concept that combines team tournament and individual tournament with the experiencing of a BWF World Tour Super 750 tournament live.

This means that the week 10 Danish Junior Cup, March 4.-5., 2019, is cancelled. Instead, the new event will as in earlier years take place in week 42. The schedule for the new event, to which all players in age groups Under 11, Under 13 and Under 15 are invited, is as follows.

- October 15th and 16th: Danish Junior Cup Team Tournaments.
- October 17th: Rest and practice day, and possibility for attending the 2nd round of the BWF World Tour Super 750 tournament Danisa Denmark Open 2019 presented by Victor.
- October 18th to 20th: Victor Denmark Junior individual Tournaments.
- On Saturday the 19th, all participants in the individual tournaments will have the opportunity of attending the Super 750 tournament, this day for the Semi Finals. Transport to the venue will be provided on both October 17th and on October 19th.

By combining these three events, we hope to give all the players in these age groups the top Badminton Event of the year. And we hope that you will all support us with teams and players, as you have done in the past.

We look forward to sending out more information as we get closer as usual.

Kind regards

Badminton Zealand, Badminton Copenhagen and Badminton Denmark
Together, we make badminton great.

PS. For under 19 and under 17 players we have placed these two Danish Junior Cup individual tournaments in August 2019, similar to the tournaments just played a couple of weeks ago In Denmark.
